February 10, 2010

To Whom It May Concern,

I am pleased to announce that Alvenius Equipamentos Tubulares Ltda. is the exclusive representative and distributor for the full line of Shurjoint<sup>®</sup> brand products in Brazil.

Shurjoint is recognized as world leader in the design, engineering and manufacture of grooved, hole-cut, threaded, plain-end, ring joint and flow control piping components. We currently manufacture over 3,000 individual items in a variety of materials to meet the needs of industry.

Shurjoint products are produced in our ISO 9001:2008 certified facilities and are manufactured to meet all applicable domestic and international standards and specifications. Shurjoint products are listed, approved and or certified by independent approval bodies including Underwriters Laboratories (UL), Factory Mutual (FM), VdS Schadenverhutung (VdS) and Loss Prevention Certification Board (LPCB) to name a few.

Alvenius personnel have received training and are knowledgeable of the Shurjoint product line and service applications. Shurjoint product specialists and engineers are available to assist Alvenius and their customers. For additional information please contact Alvenius Equipamentos Tubulares Ltda. ([www.alvenius.ind.br](http://www.alvenius.ind.br)).

Both companies are committed to the mission of *Supplying products to customers with an unmatched level of customer service at a superior value.*

Sincerely,

Mark Beach  
Vice President
